UX & UI Design

Bachelor communication and multi media design — 2019 / current

Studying CMD at the University of applied sciences in Amsterdam. During these years I've leaned more to UX and UI design. In the last year I deleveloped an interest in emerging technologies and sustainability.
Resulting in finishing a Blockchain minor and a minor about sustainability/ ethics in IT.

Internship @ Modernmediahub — February 2019 / June 2019

First time doing jobs for clients and building websites in Wordpress Avada.

Kitesurf instructor @ Kiteboardschool.nl — 2021 / current

IKO Certified Kitesurf instructor
